

Kacper Błaziak

Lista pięciu wybranych publikacji z dnia 31 października 2016

Publikacje w czasopismach

Błaziak K., Danikiewicz W., Mąkosza M., 2016, **How Does Nucleophilic Aromatic Substitution Really Proceed in Nitroarenes? Computational Prediction and Experimental Verification** J. Am. Chem. Soc., 138 (23), s. 7276–7281.

Błaziak K., Mąkosza M., Danikiewicz W., 2015, **Competition between nucleophilic substitution of halogen (S_NAr) versus substitution of hydrogen (S_NArH) - a mass spectrometry and computational study**, Chem. Eur. J., 21, s. 6048-6051.

Błaziak K., Sendys P., Danikiewicz W., 2016, **Experimental versus Calculated Proton Affinities for Aromatic Carboxylic Acid Anions and Related Phenide Ions**, ChemPhysChem, 17, 6, s. 850-858.

Błaziak K., Panek J., Jezierska A., 2015, **Molecular reorganization of selected quinoline derivatives in the ground and excited states - investigations via static DFT**, J. Chem. Phys., 143, s. 034301.

Repeć B., Błaziak K., Danikiewicz W., 2016, **Gas-phase reactions of methyl thiocyanate with aliphatic carbanions – A mass spectrometry and computational study**, Rapid Commun. Mass Spectrom., 30, s. 393–399.
