

Cezary Migaszewski

Lista publikacji
z dnia 30 października 2010

Publikacje w czasopismach recenzowanych

1. Migaszewski C., Goździewski K., 2010, *The non-resonant, relativistic dynamics of circumbinary planets*, *Monthly Notices of the Royal Astronomical Society* ArXiv:1006.5961, (w druku)
2. Migaszewski C., Goździewski K., Hinse T. C., 2009, *On the habitability of the OGLE-2006-BLG-109L planetary system*, *Monthly Notices of the Royal Astronomical Society* 395: 1204-1212
3. Migaszewski C., Goździewski K., 2009, *Equilibria in the secular, non-coplanar two-planet problem*, *Monthly Notices of the Royal Astronomical Society* 395: 1777-1794
4. Migaszewski C., Goździewski K., 2009, *Secular dynamics of a coplanar, non-resonant planetary system under the general relativity and quadrupole moment perturbations*, *Monthly Notices of the Royal Astronomical Society* 392: 2-18
5. Migaszewski C., Goździewski K., 2008, *A secular theory of coplanar, non-resonant planetary system*, *Monthly Notices of the Royal Astronomical Society* 388: 789-802
6. Goździewski K., Migaszewski C., 2009, *Is the HR 8799 extrasolar system destined for planetary scattering?*, *Monthly Notices of the Royal Astronomical Society* 397: L16-L20
7. Goździewski K., Migaszewski C., Konacki M., 2008, *A dynamical analysis of the 14 Her planetary system*, *Monthly Notices of the Royal Astronomical Society* 385: 957-966
8. Goździewski K., Migaszewski C., 2006, *About putative Neptune-like extrasolar planetary candidates*, *Astronomy & Astrophysics* 449: 1219-1232
9. Jenkins J. S., Jones H. R. A., Goździewski K., Migaszewski C., Barnes J. R., Jones M. I., Rojo P., Pinfield D. J., Day-Jones A. C., Hoyer S., 2009, *First Results from the CHEPS: Exoplanets and the Discovery of an Eccentric Brown Dwarf in the Desert*, *Monthly Notices of the Royal Astronomical Society* 398: 911-917
10. Goździewski K., Maciejewski A. J., Migaszewski C., 2007, *On the Extrasolar Multiplanet System around HD 160691*, *The Astrophysical Journal* 657: 546-558

Prace pokonferencyjne

1. Migaszewski C., Nowak G., 2010, *Modeling the RV and BVS of active stars*, *EAS Publication Series* 42: 153-159
2. Migaszewski C., Goździewski K., 2010, *Relativistic Lidov-Kozai resonance in binaries*, *EAS Publication Series* 42: 385-391
3. Rozenkiewicz A., Goździewski K., Migaszewski C., 2010, *Modeling the Radial Velocities of HD 240210 with the Genetic Algorithms*, *Proceedings of the 17'th Young Scientists' Conference on Astronomy and Space Physics, Kyiv 2010*, ArXiv:1007.0029
4. Jenkins J. S., Jones H. R. A., Goździewski K., Migaszewski C., Barnes J. R., Jones M. I., Rojo P., Pinfield D. J., Day-Jones A. C., Hoyer S., 2009, *The Calan-Hertfordshire Extrasolar Planet Search*, *Proceedings of the "New Technologies for Probing the Diversity of Brown Dwarfs and Exoplanets"*, Shanghai 2009, ArXiv:0912.5325
5. Goździewski K., Migaszewski C., Musieliński A., 2008, *Stability constraints in modeling of multi-planet extrasolar systems*, *Proceedings of the IAU Symposium* 249: 447-460
