

Marek Szczerba

Lista publikacji
z dnia 30 października 2010

Publikacje w czasopismach

1. Szczerba M., Rospondek M., *Controls of distributions of methylphenanthrenes in sedimentary rock extracts: insights from molecular modelling and critical evaluation of existing geological data*, *Organic Geochemistry*, (w druku)
2. Skiba M., Szczerba M., Skiba S., Bish D., Grybos M., *The Nature Of Interlayering In Clays From A Podzol (Spodosol) From The Tatra Mountains, Poland*, *Geoderma*, (w druku)
3. Szczerba M., Środoń J., Skiba M., Derkowski A., 2010, *One dimensional structure of exfoliated polymer-layered silicate nanocomposites: a polivinyłpyrrolidone (PVP) case study*, *Applied Clay Science* 47: 235-241
4. Szczerba M., Sawłowicz Z., 2009, *Origin of cerussite in the Upper Silesian Zn-Pb deposits, Poland*, *Mineralogia* 40: 54-64
5. Szczerba M., Środoń J., 2009, *Extraction of diagenetic and detrital ages and of $^{40}\text{K}_{\text{detrital}}/^{40}\text{K}_{\text{diagenetic}}$ ratio from K-Ar ages of clay fractions*, *Clays and Clay Minerals* 57: 46-56
6. Rospondek M., Szczerba M., Małek K., Góra M., Marynowski L., 2008, *Comparison of phenyldibenzothiophene distributions predicted from molecular modelling with relevant experimental and geological data*, *Organic Geochemistry* 39: 1800-1815
