## **Stipend offer nr 8/MPD/2010**

**Position:** PhD student, International PhD studies in Nano and Bio Science

**Number of stipends:** 15

**Institution :** Faculty of Physics, University of Warsaw

**Maximum period of stipend agreement:** 48 months

**Position starts on :** September 1, 2010

**Stipend's amount:** 3500 PLN/month

**Pension insurance:** No

**Key responsibilities include:**

1. Conducting scientific research
2. Scientific cooperation with foreign partners
3. Writing scientific publications
4. Writing and defending Ph.D thesis

**Profile of candidates:**

Candidate must be under 30 years of age and graduate of the post-graduate (2.-degree) studies in domains: physics, technical physics, chemistry, physical chemistry, applied computer science, electronics, material engineering, biophysics and biotechnology. His/her M.Sc. diploma must be with the grade *very good* (or equivalent)

**Required documents:**

1. CV of the candidate (in English) including the name and the email address of at least one referee;
2. copy of diploma together with a detailed list of all courses taken and assessed during the study period (the so-called diploma supplement in case of Polish students);
3. letter of intent (not more than two pages, in English) describing his/her qualifications for the particular project's execution: he/she should point out how the former education (courses completed, skills acquired) make him/her a person most eligible for the given project.
4. certification of his/her knowledge of English as a working language
5. evaluation of his/her diploma thesis, prepared by the thesis tutor and thesis referee. In addition, a more complete reference prepared by candidate's diploma tutor is strongly recommendable.
