

## Sinemyiz Atalay

### Lista publikacji

1. Atalay, S., Gęgotek, A., Wroński, A., Domigues, P., Skrzydlewska, E. (2021). Therapeutic application of cannabidiol on UVA and UVB irradiated rat skin. A proteomic study. *Journal of Pharmaceutical and Biomedical Analysis*, 192, 113656. DOI: 10.1016/j.jpba.2020.113656
2. Atalay, S., Dobrzyńska, I., Gęgotek, A., Skrzydlewska, E. (2020). Cannabidiol protects keratinocyte cell membranes following exposure to UVB and hydrogen peroxide. *Redox Biology*, 36, 101613. DOI: 10.1016/j.redox.2020.101613
3. Atalay, S., Jarocka-Karpowicz, I., Skrzydlewska, E. (2020). Antioxidative and anti-inflammatory properties of cannabidiol. *Antioxidants*, 9(1), 21. DOI: 10.3390/antiox9010021
4. Gęgotek, A., Atalay, S., Domingues, P., Skrzydlewska, E. (2019). The differences in the proteome profile of cannabidiol-treated skin fibroblasts following UVA or UVB irradiation in 2D and 3D cell cultures. *Cells*, 8(9), E995. DOI: 10.3390/cells8090995
