

Katarzyna Chyl
Lista publikacji

Publikacje w czasopismach

1. Chyl, K., Kossowski, B., Dębska, A., Łuniewska, M., Marchewka, A., Pugh, K. R., Jednoróg, K. (2019). Reading acquisition in children: developmental processes and dyslexia-specific effects. *Journal of the American Academy of Child & Adolescent Psychiatry*, 58(10), 948-960.
DOI: 10.1093/jaac.2018.11.007
2. Chyl, K., Kossowski, B., Dębska, A., Łuniewska, M., Banaszkiewicz, A., Żelechowska, A., Frost, S.J., Menel, W.E., Wypych, M., Marchewka, A., Pugh, K., Jednoróg, K. (2018). Prereader to beginning reader: changes induced by reading acquisition in print and speech brain networks. *The Journal of Child Psychology and Psychiatry* 59(1), 76-87.
DOI: 10.1111/jcpp.12774
3. Plewko A., Chyl K., Bola Ł., Łuniewska M., Dębska A., Banaszkiewicz A., Wypych M., Marchewka A., van Atteveldt N., Jednoróg K. (2018). Letter and speech sound association in emerging readers with familiar risk of dyslexia. *Frontiers in Human Neuroscience* 12, 393.
DOI: 10.3389/fnhum.2018.00393
4. Kossowski, B., Chyl, K., Kacprzak, A., Bogorodzki, P., Jednoróg, K. (2019). Dyslexia and age related effects in the neurometabolites concentration in the visual and temporo-parietal cortex. *Scientific Reports* 9, 5096.
DOI: 10.1038/s41598-019-41473-x
5. Dębska, A., Łuniewska, M., Chyl, K., Banaszkiewicz, A., Żelechowska, A., Wypych, M., Marchewka, A., Jednoróg, K. (2016) Neural basis of phonological awareness in beginning readers with familiar risk of dyslexia - results from shallow orthography, *Neuro Image* 132, 406-416.
DOI: 10.1016/j.neuroimage.2016.02.063
