

JOB OFFER

Position in the project:	PhD student
Scientific discipline:	Biology, molecular biology, biotechnology
Job type (employment contract/stipend):	Fellowship
Number of job offers:	2
Remuneration/stipend amount/month (“X0 000 PLN of full remuneration cost, i.e. expected net salary at X 000 PLN”):	3500 PLN/ month
Position starts on:	April 2018
Maximum period of contract/stipend agreement:	3 years (36 months)
Institution:	Military Institute of Hygiene and Epidemiology, Warsaw, Poland
Project leader:	Katarzyna Donskow-Łysoniewska, PhD
Project title:	<i>“Innovative immunotherapy of autoimmune diseases using CD8 T cells modified by factors of parasitic origin”</i> Project is carried out within the TEAM-TECH programme of the Foundation for Polish Science
Project description:	The main objective of the project is identification and characterization of CD8 Treg immune target for therapy in autoimmune diseases. This project is focused on multidisciplinary approaches to generate a high yield of functional CD8 Treg cells with using nematode- derived immunomodulators.
Key responsibilities include:	<ol style="list-style-type: none"> 1. Characterization of the nematode- induced CD8 Treg cells at phenotypic and molecular level 2. Flow cytometry data analysis and statistical analysis of the obtained results 3. Preparing reports and writing scientific articles 4. Participation in scientific meetings and conferences
Profile of candidates/requirements:	<ol style="list-style-type: none"> 1. Good basic immunology knowledge 2. Initiative independent thinking 3. Creativity, flexibility and the ability to work in a team 4. Good communication skills and fluency in English
Required documents:	<ol style="list-style-type: none"> 1. CV 2. Cover Letter 3. A copy of MSc diploma and abstract of the diploma thesis
We offer:	<ol style="list-style-type: none"> 1. Realization of PhD thesis in an interdisciplinary environment 2. Work in a young and dynamic team providing opportunities for publishing of research 3. Participation in conferences and training courses
Please submit the following documents to:	kdlysoniewska@wihe.waw.pl

Application deadline:	05.03.2018 We will contact only selected candidates.
