

Arkadiusz Kuś

Lista publikacji z dnia 31 października 2016

Publikacje w czasopismach

Kuś, A., Krauze, W., Kujawska, M., 2015, **Active limited-angle tomographic phase microscope**, J. Biomed. Opt. 20(11): s. 1-10;

Kuś, A., Makowski, P., Kujawińska, M., 2016, **Advances in design and testing of limited angle optical diffraction tomography system for biological applications**, Proc. SPIE 9718(25): s. 1–9;

Kuś, A., Dudek, M., Kemper, B., Kujawska, M., Vollmer, A., 2014, **Tomographic phase microscopy of living three-dimensional cell cultures**, J. Biomed. Opt. 19(4): s. 460091-460097;

Krauze, W., Kuś, A., Kujawska, M., 2015, **Limited-angle hybrid optical diffraction tomography system with total-variation-minimization-based reconstruction**, Opt. Eng. 54(5): s. 541041-541049

Kostencka, J., Kozacki, T., Kuś, A., Kemper, B., Kujawińska, M., 2016, **Holographic tomography with scanning of illumination: space-domain reconstruction for spatially invariant accuracy**, Biomed. Opt. Express 7(10): s. 16933–16948
