

# Agnieszka Gudowska

Lista publikacji  
z dnia 31 października 2017

## Publikacje w czasopismach

Gudowska A., Drobniak S. M., Schramm B. W., Labecka A. M., Kozłowski J., Bauchinger U., 2015, ***Hold your breath beetle-Mites!*** *Evolution* 70(1) 249-255.

Gudowska A., Boardman L., Terblanche J. S., 2016, ***The closed spiracle phase of discontinuous gas exchange predicts diving duration in the grasshopper *Paracrinema tricolor****. *Journal of Experimental Biology* 219, 2423-2425.

Gudowska, A., Schramm, B. W., Czarnoleski, M., Antol, A., Bauchinger, U. and Kozłowski, J., 2017, ***Mass scaling of metabolic rates in carabid beetles (Carabidae) - the importance of phylogeny, regression models and gas exchange patterns***. *Journal of Experimental Biology* 220, 3363-3371.

Gudowska, A., Schramm, B. W., Czarnoleski, M., Kozłowski, J. and Bauchinger, U., 2016, ***Physical mechanism or evolutionary trade-off? Factors dictating the relationship between metabolic rate and ambient temperature in carabid beetles***. *Journal of Thermal Biology* 68, 89-95.

Schramm B. W., Gudowska A., Kapustka F., Labecka A. M., Czarnoleski M., Kozłowski J., 2015, ***Automated measurement of ommatidia in the compound eyes of beetles***. *BioTechniques* 59(2), 99-101.
