

# Barbara Muir

## Lista publikacji

z dnia 31 października 2017

### Publikacje w czasopismach

Muir B., Bajda T., 2016, ***Organically modified zeolites in petroleum compounds spill cleanup - production, efficiency, utilization***, Fuel Processing Technology, 149: s. 153-162.

Muir B., Matusik J., Bajda T., 2016, ***New insights into alkylammonium-functionalized clinoptilolite and Na-P1 zeolite: structural and textural features***, Applied Surface Science 361: s. 242-250.

Muir B., Andrunik D., Hyła J., Bajda T., 2017, ***The removal of molybdates and tungstates from aqueous solution by organo-smectites***, Applied Clay Science 136: s. 8-17.

Szala B., Bajda T., Matusik J., Zięba K., Kijak B., 2015, ***BTX sorption on Na-P1 organo-zeolite as a process controlled by the amount of adsorbed HDTMA***, Microporous and Mesoporous Materials 202: s. 115-123.

Leiviskä T., Matusik J., Muir B., Tanskanen J., 2017, ***Vanadium removal by organo-zeolites and iron-based products from contaminated natural water***, Journal of Cleaner Production 167: s. 589-600.
