

Katarzyna Koziowska

Lista publikacji

z dnia 31 października 2018

Koziowska K., Kuliński K., Pempkowiak J., 2016, ***Sedimentary organic matter in two Spitsbergen fjords: terrestrial and marine contribution based on carbon and nitrogen contents and stable isotopes composition***, *Continental Shelf Research* 113: s. 38-46

Koziowska K., Kuliński K., Pempkowiak J., 2017, ***Distribution and origin of inorganic and organic carbon in the sediments of Kongsfjorden, northwest Spitsbergen, European Arctic***, *Continental Shelf Research* 150: s. 27-35

Koziowska K., Kuliński K., Pempkowiak J., 2018, ***Comparison of the burial rate estimation methods of organic and inorganic carbon and quantification of carbon burial in two high Arctic fjords***, *Oceanologia* 60(3): s. 405-418

Koziowska K., Kuliński K., Pempkowiak J., 2018, ***Deposition, return flux, and burial rates of nitrogen and phosphorus in the sediments of two high-Arctic fjords***, *Oceanologia* 60(4): s. 431-445

Pacyna A., Koziowska K., Chmiel S., Mazerski J., Polkowska Ż., 2018, ***Svalbard reindeer as an indicator of ecosystem changes in the Arctic terrestrial ecosystem***, *Chemosphere* 203: s. 209-218
