

Witold Chromiński

Lista publikacji
z dnia 31 października 2017

Publikacje w czasopismach

W.Chrominski, S. Wenner, C.D. Marioara, R. Holmestad, M. Lewandowska, 2016, ***Strengthening mechanisms in ultrafine grained Al-Mg-Si alloy processed by hydrostatic extrusion – Influence of ageing temperature***, Materials Science and Engineering A 669, s: 447-458

W.Chrominski, M.Lewandowska, 2016, ***Precipitation phenomena in ultrafine grained Al-Mg-Si alloy with heterogeneous microstructure***, Acta Materialia 103, s: 547-557

W. Chrominski, L. Olejnik, A. Rosochowski, M. Lewandowska, 2015, ***Grain refinement in technically pure aluminium plates using incremental ECAP processing***, Materials Science and Engineering A 636, s: 172-180

M. Ciemiorek, W. Chrominski, M. Lewandowska, L. Olejnik, 2017, ***Evaluation of mechanical properties and anisotropy of ultra-fine grained 1050 aluminium sheets produced by incremental ECAP***, Materials and Design 130, s: 392-402

W. Chrominski, M.Kulczyk, M.Lewandowska, K.J.Kurzydowski, 2014, ***Precipitation strengthening of ultrafine-grained Al-Mg-Si alloy processed by hydrostatic extrusion***, Materials Science and Engineering A 609, s. 80-87
