

## Michał Nowicki

### Lista publikacji

1. Nowicki, M. R. (2020). Spatiotemporal calibration of camera and 3D laser scanner. *IEEE Robotics and Automation Letters*, 5(4), 6451-6458.
2. Nowicki, M. R., Skrzypczyński, P. (2019). A multi-user personal indoor localization system employing graph-based optimization. *Sensors*, 19(1), 157.
3. Belter, D., Nowicki, M. R. (2019). Optimization-based legged odometry and sensor fusion for legged robot continuous localization. *Robotics and Autonomous Systems*, 111, 110-124.
4. Kraft, M., Nowicki, M., Schmidt, A., Fularz, M., Skrzypczyński, P. (2017). Toward evaluation of visual navigation algorithms on RGB-D data from the first-and second-generation Kinect. *Machine Vision and Applications*, 28(1-2), 61-74.
5. Gośliński, J., Nowicki, M., Skrzypczyński, P. (2015). Performance comparison of EKF-based algorithms for orientation estimation on Android platform. *IEEE Sensors Journal*, 15(7), 3781-3792.
