

Arkadiusz Zakrzewski

Lista Publikacji

1. Zakrzewski, A., Gajewska, J., Chajęcka-Wierzchowska, W., & Zadernowska, A. (2023). Prevalence of *Listeria monocytogenes* and other *Listeria* species in fish, fish products and fish processing environment: A systematic review and meta-analysis. *Science of The Total Environment*.
2. Zakrzewski, A., Gajewska, J., Chajęcka-Wierzchowska, W., & Zadernowska, A. (2023). Effect of sous-vide processing of fish on the virulence and antibiotic resistance of *Listeria monocytogenes*. *NFS Journal*, 31, 155–161. <https://doi.org/10.1016/J.NFS.2023.05.003>
3. Zakrzewski, A. J., Kurpas, M., Zadernowska, A., Chajęcka-Wierzchowska, W., & Fraqueza, M. J. (2023). A Comprehensive Virulence and Resistance Characteristics of *Listeria monocytogenes* Isolated from Fish and the Fish Industry Environment. *International Journal of Molecular Sciences*
4. Zakrzewski, A., Purkiewicz, A., Jakuć, P., Wiśniewski, P., Sawicki, T., Chajęcka-Wierzchowska, W., & Tańska, M. (2022). Effectiveness of various solvent-produced thyme (*Thymus vulgaris*) extracts in inhibiting the growth of *Listeria monocytogenes* in frozen vegetables. *NFS Journal*, 29, 26–34.
5. Gajewska, J., Zakrzewski, A., Chajęcka-Wierzchowska, W., & Zadernowska, A. (2023). Meta-analysis of the global occurrence of *S. aureus* in raw cattle milk and artisanal cheeses. *Food Control*, 147, 109603. <https://doi.org/10.1016/J.FOODCONT.2023.109603>
