Project work schedule

2026				2027				2028				2029			
I-III	IV-VI	VII-IX	X-XII												

The table should indicate the planned R&D work divided into clearly defined, logical stages. For each stage, an adequate research period should be assigned. There is no limit to the number of stages indicated. The table may be modified by merging cells, formatting cells, adding/deleting rows/columns.

Example of a correctly completed table for a project lasting 48 months
